Re: Church of Scientology of California v. Armstrong

Dear Mr. Peterson:

On August 23, 1984, your office served your client's responses to a Request For Production of Documents which was propounded on August 2, 1984. I have attempted to telephone you three times regarding the matter of your client's responses, but have been unable to reach you.

Pursuant to California Rules of Court, Rule 339, I wish to obviate the necessity of filing a Motion To Compel with respect to certain of the responses. In that regard, I request that you advise me whether or not your client is willing to provide further responses to request numbers 1, 2, 3, 6, 7, 11, 12 and 13. Since there are only a few requests in dispute, I believe the matter can be handled over the telephone and I will continue in my attempts to reach you.

With respect to request numbers 8, 9, 10, 14 and 15, I would like to know whether you have located and/or compiled the subject documents.

Very truly yours,
